OF FANTASY
GAMES WITH
AMAZING
HyperReality™

Game-playing is about to move into the 21st Century with the introduction of the next generation of fantasy games featuring the amazing 'AdventureVision'™. In an 'AdventureVision'™ game, players have a 30 minute video tape filled with electrifying action, produced in a brand new process called 'HyperReality'™ - specially developed for *DRAGON STRIKE*. After watching the tape, you can then begin playing the game featuring the heroes, monsters and weapons you saw. The Dragon Strike game pack consists of 24 playing pieces, 4 playing areas, the 30 minute video tape - and lots more.

Now here's your chance to become one of our 16 game-pack winners. In English folklore, a very famous Saint was supposed to have battled against a fiery dragon. Was it: (a) Saint Peter, (b) Saint Michael, (c) Saint George? Write whichever you think is the correct answer on a postcard or the back of a sealed, empty envelope. Add your own name and address, and send your entry to:

DRAGON STRIKE COMPETITION, BUSTER COMIC,
P.O. BOX 164, CHELMSFORD, ESSEX, CM1 3XB.
Entries should arrive by Friday, 31st December, 1993, which is the closing date. After that date, the senders of the first 16 entries pulled at random from the BUSTER postbag, containing the correct answer, will win the prizes. Usual BUSTER competition rules apply. The Editor's decision is final in all matters.
